

**The Marie Skłodowska-Curie Actions (MSCA) Presidency Conference 2024** will explore the multiple pathways of researchers' careers. It is organized **under the Belgian presidency of the Council of the European Union in cooperation with the European Commission**. Save the dates for this two-day event that will take place on **18 and 19 April 2024** in Mons, at the [Wallonia Convention Center](#).

## What can you expect?

The conference features keynotes, policy discussions and parallel sessions aimed at facilitating discussions among researchers, employers in different sectors, policy makers, stakeholders and anyone interested in the topic of researchers' careers.

Inspire us with your achievements, needs, insights and experience!

### Networking

Get in contact with researchers, universities, research institutions and research infrastructures, businesses, industry, SMEs, public administration, civil society organisations and other socio-economic actors from across Europe.

### MSCA Award and poster session

20 posters and 15 nominated MSCA researchers or alumni will pitch their research topic, innovative project, social initiative, product, service or idea in front of a jury. On the second day the winners will be announced.

More information on how to participate will follow.

### Social and cultural activities

Included in the conference is a networking dinner and a guided visit to the [Mundaneum](#). A museum pass will be offered to each participant.

Mark your calendar for 18 and 19 April 2024, and stay tuned for more updates coming soon. We hope to see you there! This event, co-created by the **Walloon Region**, the **Fédération Wallonie-Bruxelles**, the **Flemish Government (EWI)** and **BELSPo** in partnership with the European Commission, is a unique opportunity to contribute to the European Research Area (ERA) together.
